Milestone-2 Tables Creation

Create Institution Details Table

1. In the Application Navigator, search for System Definition → Tables.
2. Click New.
3. Label: Institution Details.
4. Name: u_institution_details.
5. Extends for: false.
6. Click Submit.

Add Fields

1. Student Roll Number – Auto Number.
2. Student Name – Reference (User).
3. Faculty Name – Reference (User).
4. Branch – Choice (ECE, EEE, CSE).
5. Email – String.
6. Phone Number – String.
7. Description – Multi String.
8. Save the table.

Create Records

1. Create multiple student records with different Branch values: ECE, EEE, and CSE.
